

International Colloquium in the framework of Circular Economy

New Developments in Recycling Technologies

University Foundation, Rue d'Egmontstraat 11, 1000 – BRUSSELS

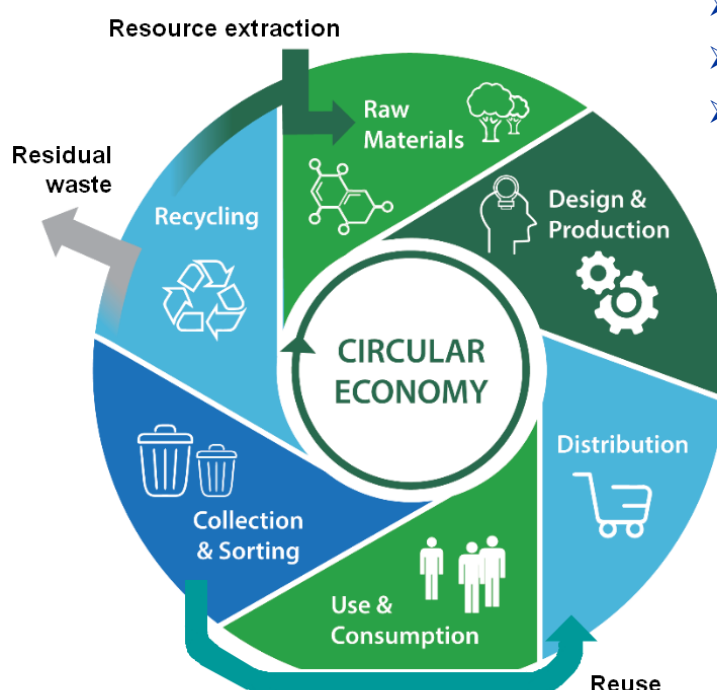

From 9 am to 5 pm

SCOPE :

- Sorting
- Recycling
- Reuse

MATERIALS :

- Non-ferrous metals
- Chemicals
- Plastic materials
- Building materials
- Glass

TWO PARTS :

1. Various presentations
2. Round table

MORE INFO :

- Programme on next page
- Mailto : info@seii.org

Provisional Programme

08 h 30 Registration of participants

09 h 00 Welcome address by Samuel FURFARI, President of SEII, Assistant Professor (ULB)

FIRST SESSION

Chairman of the session : Samuel FURFARI (SEII)
